

MICE

ART

MOUSE HOUSE

Cut a brown paper bag the same size as child's drawing paper. Cut a mouse-hole shape out of bag. Have children draw mouse houses. Encourage them to use their imagination. Suggest things like a spool for a table, a flashlight for a lamp, etc. When they are finished drawing, tape the brown paper along one side so their drawing shows through the hole. (Leave other sides un-taped so their entire picture can be looked at.)

HEART MICE

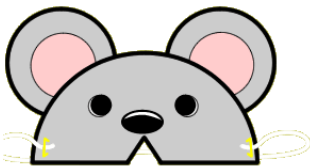

Paint wooden heart shapes light grey. Paint on a pink nose or glue on a pink circle cut out of fun foam. Glue on wiggly eyes and a piece of pipe cleaner bent for a tail. May draw on whiskers, etc. Glue on pin back

PAPER PLATE MOUSE

Use large paper plate for body. Use small paper plate for head. Staple together. Add construction paper eyes, nose, ears, and tail. Add string for whiskers or paint them.

PAPER PLATE MASK

Cut small paper plate in half.
Cut a triangle out of the center of the straight side of the plate (this is where the nose goes).
Cut holes for the eyes and draw on an oval nose.

Cut the 2 circles from paper. Glue behind curved side of plate.
Staple string to the sides of the mask.

SONG

FIVE LITTLE MICE (to tune of "Five Little Ducks")

Five little mice came out to play,
Gathering crumbs along the way.
Out came pussycat sleek and fat.
Four little mice go scampering back

OTHER FUN STUFF

MOUSE TAILS

Cut several mouse-shaped bodies from gray construction paper. Let kids glue pieces of yarn to shapes for tails. Glue mice to light-colored paper and add eyes and whiskers with markers or crayons.

MOUSE NOSES

Cut small circle from black construction paper. Add whiskers made from gray paper. Attach to nose with double sided tape.

ANOTHER MOUSE NOSE

Cut a small circle out of black construction paper. Cut the circle halfway through and roll it into a cone shape. Tape the edges in place. For whiskers, thread thin pieces of black yarn through the nose shape (from the inside to the outside) knotting each whisker on the inside and the outside to keep it in place. Attach a loop of elastic thread to the sides of the nose to hold it in place.

SNACKS

NIBBLE FOOD

Serve cheese, crackers, and nibbling food.

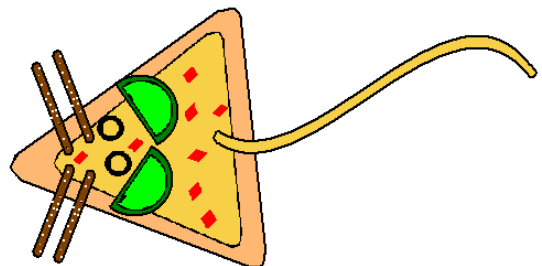

MICE CRACKERS

Cut small pieces of cheese to fit on oval shaped crackers. Slice carrot and use for ears. Cut a raisin in small pieces for eye. With a vegetable peeler, make a shaving of carrot for tail and tuck it under cheese.

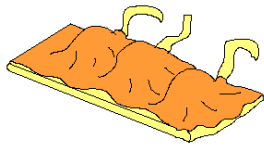

CHEESY TREATS

- 1 large triangle shaped corn tortilla chip
- pickle chip
- 2 small pretzel sticks
- 2 olive slices
- 1 strand string cheese
- pimento cheese spread

Cut pickle chip in half for ears
Break pretzels in half for whiskers
Spread pimento cheese onto chip. Add olives for eyes, pickle ears, pretzel whiskers, and string cheese tail

THREE BLIND MICE
